Product highlights

Wireless Streaming with PC

Enjoy Internet radio
Easily access thousands of music channels and stations from the world through the Internet. Listen to the latest hits or tunes from your favourite genre.

My Room, My Music
With My Room, My Music, your family members can enjoy the music they choose from the stored collections in any room equipped with a Wireless Music Station. Multiple User Access technology simultaneously streams music selected by the client Wireless Music Station form the Wireless Music Centre. One Wireless Music Centre can stream music to up to five Stations. That's six different music options for your whole family to enjoy in any room - simultaneously and instantly.

Music Broadcast to Stations
Be your own DJ at your house party and simultaneously broadcast your favourite dance music from the Wireless Music Centre to all Wireless Music Stations installed in various parts of your home. Great for parties!

Music Follows Me
The Music Follows Me feature allows you to take your favourite music from room to room in your house without having to restart navigation and playback of that particular track. At the touch of a button, your favourite song will follow you anywhere you go in your house.
